CONDITIONS BY LICENSOR

ECO STARWALL is a registered trademark and is the property of BWR TECHNOLOGY SDN BHD.

Certificates and Approvals relates only to the product/system that is named and described on the front page, namely ECO STARWALL INDUSTRIALIZED BUILDING SYSTEM.

Certificates and Approvals are only issued to BWR TECHNOLOGY SDN BHD and no other company, firm, organization or person may hold or claim that the said trademark, certificates and or approvals have been issued to them.

Certificates and Approvals obtained are currently only valid in Malaysia and subject to the laws of Malaysia.

Publications, documents, specifications, legislation, regulations, standards and the like referenced in this document are those that were current and or deemed relevant by the approving authorities at the date of issue of the relevant Certificates and Approvals.

BWR TECHNOLOGY SDN BHD has used due skill, care and diligence in preparing this document, but NO WARRANTY is provided.

BWR TECHNOLOGY SDN BHD shall not be responsible and shall be excluded from any liability to any company, firm, organization or person, for any matters arising directly or indirectly from:

- The presence or absence of any patent, intellectual property or similar rights subsisting in the product/system or any other product/system.
- The right of the Licensor to manufacture, supply, install, maintain or market the product/system.
- Actual installations of the product/system, including their nature, design, methods, performance, workmanship and maintenance.
- Any loss or damage including personal injury, howsoever caused by the product/system, including its manufacture, supply, installation, use, maintenance and removal.
- Any claims relating to patent ownership and product certifications.

Any information relating to the manufacture, supply, installation, use, maintenance and removal of this product/system which is contained or referred to in this document is the minimum required to be met when the product/system is manufactured, assembled, supplied, installed, used, maintained and removed. It does not purport in any way to restate the requirements of the Health and Safety at Work etc. Act 1974, or of any other stator, common law or other duty which may exist at the date of issue or reissue of this document; nor is conformity with such information to be taken as satisfying the requirements of the 1974 Act or of any statutory, common law or other duty of care.
